

Pursuing Good Works

A healthy church is one where the majority of people are involved in some area of ministry that utilizes their gifts and abilities for the Lord. At The Rock we want to be known as a church that “practices what we preach” and “lives out our doctrine.” Because spiritual maturity only comes as we “grow upward” and “serve outwards” it is essential that every believer be challenged and given opportunity to pursue good works. Good works are accomplished both inside and outside the church walls. God has prepared good works for every believer to accomplish and The Rock is a place where ample opportunity is given to believers to be used by God.
