

Saved by Grace

Priority at The Rock is for us to experience in our own lives and introduce others to the GRACE of God. It is only by grace that we can find salvation through Jesus Christ. This is our message to our community. God's grace goes beyond salvation and is also the means by which we can petition Him through our prayers, receive His touch in our lives and be empowered to reach our community. Grace goes beyond the "have to" and brings believers into a "want to" relationship with the Lord. It is our purpose to create an atmosphere for individuals to find the freedom and love for God that comes through experiencing His grace.
